

St. Stephen Religious Education - the learning doesn't stop when the school year ends!

Upcoming events for our children include Vacation Bible School, Heroes of the Bible Story & Activity Hours, and Glory in the Gospel Bible study.

For children in pre-kindergarten through rising grade 5 we offer Vacation Bible School. This year's theme is Hometown Nazareth - Where Jesus was a Kid. Children will adventure through Nazareth and hear stories of Jesus' childhood and learn what it was like to grow up in Nazareth. Registration will take place in May.

Children in pre-kindergarten through rising grade 2 are invited to join us on Tuesday mornings for Heroes of the Bible Story & Activity Hours. Children will listen to a storybook account of a different bible hero each week followed by an age-appropriate appropriate discussion, craft, or activity. Watch the bulletin for details.

Children in rising grades 3 through 5 are invited to join us on Thursday mornings for Glory in the Gospel Bible study. We will break open the Word for the upcoming week's Gospel using a Children's Lectionary so the children hear the Gospel in language they understand. Discussion, crafts, or related activity will be included. Watch the bulletin for details.
