

# Heart to Heart

**We believe that nothing is more important than our children.**

**We believe that our children are a gift from God, entrusted to us for a short time so that we can help them to develop to their full potential: spiritually, intellectually, and physically. From its inception 8 years ago, St. Stephen Catholic School has a well-earned reputation for providing the highest quality Catholic formation and education.**

**As a parish, we are committed to ensuring that no child of an active parishioner of St. Stephen is denied an education in our school simply due to lack of funds. Unfortunately, during these difficult economic times many of our families are unable to pay for their child's tuition. We understand the challenges families face who are dependent upon a enlisted soldier's salary, who are facing large medical bills, or who are struggling as a single parent to make ends meet. They need your help.**

**Please open your heart to a child who could not otherwise afford to attend our Catholic school. Complete the form below and return it to the parish office at your earliest convenience.**
